BULK TRASH PICK-UP

The next bulk trash pickup is scheduled for Saturday, December 17.

TO MEMBERS OF THE NORTH CHEVY CHASE COMMUNITY:

On several occasions over the last two years, occurring at irregular intervals, large quantities of beer cans and bottles have been carefully bagged, then placed and hidden behind the fence at Kenilworth Drwy. and Montgomery Ave. On any given occasion, the bags contained cans from several cases of beer. The most recent event occurred on Saturday, October 29, and consisted of two and a half large trash bags filled with 12 – 16 cans.

We are concerned for two reasons. One concern is the disregard for private property, and to the community as a whole, the proper place to deposit trash being homeowner's trash containers. The greater concern is of unsupervised and substantial alcohol consumption, presumably by underage community teenagers. We ask members of the community to watch for the deposit of trash in our neighbor's yards, and also to look closer to home for what would appear to be hidden large scale consumption of alcohol, perhaps by underage teens.

— Anne Cantrel, Chair, Village Council, North Chevy Chase.

JONES BRIDGE ROAD BUS UPDATE

The Project Manager, Office of Planning of the Maryland Transit Administration, Michael Madden, will make a presentation on the status of the Jones Bridge Road Busway at the December 20, 2005 NCC Village Meeting. Please circle this date on your calendar, turn out with your friends and neighbors and be prepared to ask all your questions.

RECYCLING CONTRACT

The Village Recycling Contract will be placed up for bid soon. Some interest has been shown by residents for the use of the large paper recycling containers seen in other neighborhoods. The bids will be structured so that the trash-hauling bidders can bid on either or both systems. The Council welcomes your input into advantages and disadvantages of the new, large containers. Please send your comments to the Village Office, 301-654-7084 or e-mail the Council at nccvm@comcast.net.

CHEVY CHASE HISTORICAL SOCIETY FALL MEETING

The Chevy Chase Historical Society will hold its fall meeting at 8:00 PM on Wednesday, November 16 at the Town of Chevy Chase's Town Hall, 4301 Willow Lane, Chevy Chase in the Leland Center. The guest speaker, Martha Lane, is an expert on preserving memories. Ms. Lane has been active in preserving family photos, and will discuss some of the international standards and techniques of photo preservation. Please bring a pencil and paper to take notes. This is a "how-to" program.

VILLAGE VISION COMMITTEE

In 1994, the Village formed a Committee to create a roadmap for the year 2000 and beyond. In examining the 1994 goals and comparing them with the current state of the Village, the Village Council thought that it might be a good time to revisit Vision 2000, and to make it relevant to 2010. The Village looks forward to including all interested residents in a defining of future Village goals. If you are interested in joining a new Vision Committee, please call the Village Office at 301-657-7084, or e-mail the Village at nccvm@comcast.net.

VILLAGE WI-FI

A number of municipalities have been investigating the possibility of installing municipal Wi-fi Internet connection for an entire City (Philadelphia) or Town. This system can provide free high-speed Internet connectivity from any part of a Village with minimum capital outlay. If this is an idea worth exploring, please call or e-mail the Village Office. This might be a subject for a Vision Committee to study.

VILLAGE GOODS AND SERVICES

As a service to the residents of North Chevy Chase, the NCC News has started a Village Goods and Services page. If you are a Village resident and wish to be included in the G&S page of the newsletter, send your business card to: Village of North Chevy Chase, P.O. Box 15887, Chevy Chase, MD.
